

b6

Cat No. : 01-01-3002

Product Name : b6

Type : Antibody

Property : IgG1

Origin :

Source : Human

Application : Neut,IP,ELISA

Formulation : Each vial contains 100 $\frac{1}{4}$ g purified IgG in 100 $\frac{1}{4}$ l PBS(1mg/ml) with 40% glycerol.

Purity : >95%

Storage : Store at -20 \hat{A} °C,Avoid freeze / thaw cycle.

Limitation : For research use only,not for use in diagnostic procedures.

Note :
