HIV-1 gp120 Clade C ELISA Development Kit

Cat No. : 01-01-11009

Product Name : HIV-1 gp120 Clade C ELISA Development Kit

Type : ELISA Kit

Property : ELISA Kit

Origin :

Source :

Application : For the quantitative analysis of gp120 (HIV-1/Clade C) concentrations in cell culture s

Formulation :

Purity :

Storage : Store at -20Â°C,Avoid freeze / thaw cycle.

Limitation : For research use only,not for use in diagnostic procedures.

Note :
