SIVmac239 gp120 ELISA Development Kit

Cat No. : 01-01-11006

Product Name : SIVmac239 gp120 ELISA Development Kit

Type : ELISA Kit

Property : ELISA Kit

Origin :

Source :

Application : For the quantitative analysis of gp120(SIVmac239) concentrations in cell culture supe

Formulation :

Purity :

Storage : Store at -20Â°C,Avoid freeze / thaw cycle.

Limitation : For research use only,not for use in diagnostic procedures.

Note :
