

HIV-1 p24 Clade A ELISA Development Kit

Cat No. : 01-01-11003

Product Name : HIV-1 p24 Clade A ELISA Development Kit

Type : ELISA Kit

Property : ELISA Kit

Origin :

Source :

Application : For the quantitative analysis of p24 (HIV-1/Clade A) concentrations in cell culture supernatant

Formulation :

Purity :

Storage : Store at -20°C, Avoid freeze / thaw cycle.

Limitation : For research use only, not for use in diagnostic procedures.

Note :
