

Monkey CD362-hIgG1

Cat No. : 03-01-2358

Product Name : Monkey CD362-hIgG1

Type : Protein

Property : Recombinant Protein

Origin :

Source : HEK293

Application : ELISA, WB, Immunogen

Formulation : Each vial contains 50ug purified protein(1mg/ml) in PBS(pH7.4).

Purity : >95%

Storage : Store at -80°C, Avoid freeze / thaw cycle.

Limitation : For research use only, not for use in diagnostic procedures.

Note :
